What is Senso ProtectEd?

At Senso we understand the critical role safeguarding teams play in protecting the well-being of students.

Every day, these professionals face complex challenges, ensuring that vulnerable children are supported and safe.

FOCUSED ON SAFEGUARDING

We're proud to offer something we feel is really special and a commitment to our focus on safeguarding students online. Senso ProtectEd is a tailored Support Service specifically designed for safeguarding teams in schools.

The purpose is to:

Support DSLs

Senso ProtectEd supports DSLs with the day-to-day aspects of their role to allow them to focus on keeping children safe.

Save Time

Our resources allow your school to save valuable time for DSLs by eliminating the need to gather or create materials.

Reduce Workload

No more hours spent creating safeguarding training, parental awareness resources, or monitoring proformas for governors.

WHAT IS INCLUDED?

---

1. Resources for Staff

Quick Watch Videos:

Provide ongoing safeguarding training for your staff by using our Safeguarding Quick Watch Videos. These training videos are designed to provide information on a wide range of safeguarding topics, teaching staff the signs to look out for and what to do next. Videos are under 10 minutes, making them ideal to use before weekly staff meetings or at other points in the day when time is short.

Quick Read PDFs:

Detailed guides covering a range of safeguarding concerns. These guides are designed to go hand-in-hand with the Quick Watch videos, print out or email to staff or display in communal areas such as the staff room.

Case Studies:

Learn from real-life scenarios to discuss concerns and ensure a consistent approach to reporting.

2. Resources for DSLs

Guidance:

Access up-to-date and relevant guidance documents tailored to your role.

Day-to-day Support:

Download, adapt and use documents that assist you with all aspects of the DSL role. From 'What to do if you are a new DSL' to providing you with an annual calendar of monitoring, assessment and key tasks aimed to keep you on track.

Editable Resources:

A range of editable templates and resources to help you record your monitoring cycle, actions or policies.

3. Tools for Parents

Educational Materials:

Share resources that empower parents with knowledge on digital safety, mental health, and more. Help parents understand their role in safeguarding and how they can support their children.

4. Support Governors

Governance:

Keep your governing body informed about their safeguarding responsibilities.

Policy Templates:

Easily update your school's safeguarding policies with our customisable templates.

Self-Assessment Tools:

Help governors monitor and improve the effectiveness of your school's safeguarding measures.

5. Engagement for Pupils

Posters:

Display posters around the school informing pupils on what they can do if they have safeguarding concerns.

Slides:

Engage pupils in discussions about creating a safe and respectful school environment. These slides could be displayed as children enter assembly or during tutor times with the view to promoting awareness of digital and non-digital safeguarding concerns and discuss how they could respond in your school.

HOW WILL IT DEVELOP?

As this is the first year, we will drop resources a term at a time. Autumn term will be ready in September 2024, Spring term in December 2024 and Summer term in April 2025.

Year on year, this will continue to grow and develop based on the changing safeguarding landscape. Including hosting guest speakers, webinars and more!

We will listen to feedback from schools and provide what they need and want.

WHERE WILL YOU FIND SENSO PROTECTED RESOURCES?

All Senso ProtectEd resources will be hosted on **Senso Learn** in the membership area.

WHAT IS THE PRICE?

The pricing model is based on pupil numbers on roll. This is a fixed cost for the school for one year.

Number of Pupils	Price (ann.)
<100	£100
101-250	£250
251- 600	£550
601- 1000	£750
